Because of the way the tracks scoring prints out, the fastest run of each run session is listed first.

Number in RED is the fastest completed run time.

All times shown are corrected times with cone penalty included.

(+) Number, is the number of cone penalties (2 seconds each) which were added to the time score.

DNF = Did Not Finish Run Correctly DNR = Did Not Make This Run

** Ron set a new track record for all automobiles that have run on this track. Way to go Ron!!!
