Postmarked after May 1, 2009 Single \$90 Couple \$180

Kids (1-5) Free and (6-15) \$30

Our single largest variable cost is food. Since the hotel will not charge kids 1-5 years old for meals we will not either. We will be charged half price on meals for kids 6-12 years old which figures to be about \$30 our cost, counting some sodas in that price. We will charge \$30 registration for all 6-15 year old kids, even though our price break on food extends only through age 12. If you have kids that fit the low or no charge registration amount please let us know their names and ages with your registration. We will handle it from there and you won't need to sign them up with the hotel.

5.) Registration HQ and Dinners: Billings Hotel and Convention Center

6.) NCCC Autocross regulations require Snell 2000 or 2005 helmets with manufacturers date after 5/24/99, current car registration, insurance and driver's license. If you plan to Autocross, be sure to make time to get your car teched sometime Friday or Saturday, as we will start competition fairly early Sunday. No teching available Sunday.

An insurance liability waiver must be signed by all participants at check-in, regardless of events we do or don't participate in.

As we get closer to the event more information, including an agenda, will be emailed or available on our web site www.glassreunioncorvetteclub.com.
